Academic Journals on Conflict Management

Family Courts Review
Published by the Association for Family and Conciliation Courts.

African Journal on Conflict Resolution
The objectives of the journal are to promote a culture of peace and stability by facilitating the exchanging of ideas and expertise within the conflict resolution community on the continent of Africa, to contribute to developing home-grown (African) methods of preventing, managing and resolving conflict on the continent and the provide a forum for information sharing, networking and learning in the field of conflict resolution. Articles of an academic nature on the theory and practice of dealing with conflict, especially in the context of Africa, are published. Envisaged readers are academic researchers, teachers and students and practitioners in the field of dealing with conflict.

Cardozo Journal of Conflict Resolution (CJCR)
The Cardozo Journal of Conflict Resolution (CJCR) is a legal journal of arbitration, negotiation, mediation, settlement, and restorative justice.

Conflict Management and Peace Science
CMPS contains scientific papers on topics such as: international conflict; arms races; the effect of international trade on political interactions; foreign policy decision making; international mediation; and game theoretic approaches to conflict and cooperation.

Conflict Resolution Quarterly
Conflict Resolution Quarterly publishes quality scholarship on relationships between theory, research, and practice in the conflict management and dispute resolution field to promote more effective professional applications. A defining focus of the journal is the relationships among theory, research, and practice. Articles address the implications of theory for practice and research directions, how research can better inform practice, and how research can contribute to theory development with important implications for practice. Articles also focus on all aspects of the conflict resolution process and context with primary focus on the behavior, role, and impact of third parties in effectively handling conflict.

Cooperation and Conflict
Cooperation and Conflict is a peer reviewed journal that aims to promote research on and understanding of international relations.

Conflict, Security & Development
Conflict, Security and Development provides an analytical and empirically informed treatment of the linkages between issues of security and development in contemporary international relations. It places emphasis on the need to examine issues of security and development in their mutual interaction rather than as separate areas of academic enquiry and policy-making.
International Journal of Conflict Management
The International Journal of Conflict Management publishes research in conflict management including original theoretical and empirical articles (which may be either quantitative or qualitative) and critical or integrative literature reviews relevant to the substantive domains served by the journal, including: Conflict, Conflict management, Dispute resolution, Fairness, Justice, Mediation and arbitration, Negotiation

Journal of Conflict Resolution
The Journal of Conflict Resolution is an interdisciplinary journal of social scientific research and theory on human conflict. The journal focuses largely on international conflict, but also explores a variety of national, intergroup and interpersonal conflicts.

Journal of Conflict and Security Law
The Journal of Conflict & Security Law is a refereed journal aimed at academics, government officials, military lawyers and lawyers working in the area, as well as individuals interested in the areas of arms control law, the law of armed conflict and collective security law.

Journal of Peace Research
Journal of Peace Research (JPR) is an interdisciplinary and international peer reviewed bimonthly journal of scholarly work in peace research. Journal of Peace Research strives for a global focus on conflict and peacemaking. The journal encourages a wide conception of peace, but focuses on the causes of violence and conflict resolution.

Negotiation and Conflict Management Research
NCMR publishes articles that develop theory and report research on negotiation and conflict management across levels, including interpersonal conflict, intergroup conflict, organizational conflict, and cross-cultural conflict, across a range of domains including environmental conflict, crisis negotiations, and political conflict, as well as across a variety of approaches, including formal and informal third party intervention, mediation and arbitration.

Negotiation Journal
Negotiation Journal is committed to the development of better strategies for resolving differences through the give-and-take process of negotiation. Negotiation Journal’s eclectic, multidisciplinary approach reinforces its reputation as an invaluable international resource for anyone interested in the practice and analysis of negotiation, mediation, and conflict resolution including educators, researchers, diplomats, lawyers, business leaders, labor negotiators, government officials, and mediators.

Peace & Change
Peace & Change publishes scholarly and interpretive articles on the achievement of a peaceful, just, and humane society. International and interdisciplinary in focus, the journal bridges the gap between peace researchers, educators, and activists. It publishes articles on a wide range of peace-related topics, including peace movements and activism, conflict resolution, nonviolence,
internationalism, race and gender issues, cross-cultural studies, economic development, the legacy of imperialism, and the post-Cold War upheaval.

**Security Dialogue**
Security Dialogue aims to combine cutting-edge advances in theory with new empirical findings across a range of fields relevant to the study of security. Security Dialogue provides an outlet for new approaches and methodologies from disciplines such as gender studies, political sociology, political economy, political theory, international relations, religious studies, visual arts, anthropology, psychoanalysis and political philosophy.

**Studies in Conflict and Terrorism**
Studies in Conflict and Terrorism seeks to publish theoretical and empirical studies that contribute to a better understanding of the causes of terrorism and insurgency as well as the measures required to achieve their resolution. The journal addresses security challenges fueled by religious and nationalist strife, moribund peace processes, disputes over natural resources, and transnational organized crime.

**World Mediation and Arbitration Review**
The World Arbitration and Mediation Review (WAMR) provides its readers with a thorough assessment of contemporary developments in the worldwide regulation and practice of arbitration and mediation. The Review addresses, through scholarly and practical articles, comments, notes, and other sources, both the international and domestic aspects of arbitration and mediation.
