

CHSS FACULTY DEVELOPMENT SERIES PRESENTS

Mutual Mentoring: Creating a Supportive Research Network

HSS faculty members at different levels of the academic career are invited to discuss practical strategies to increase research productivity through networking with similar minded scholars and mutual mentoring. This is the second of a series of three interdisciplinary workshops on mutual mentoring, through which participants will have the opportunity to establish partnerships and begin a peer mentoring experience.

Facilitated By:

Dr. Jeanne Bohannon, Assistant Professor of Digital Writing & Media Arts

Dr. Matt Mitchelson, Associate Professor of Geography

Dr. Federica Santini, Associate Professor of Italian
