

Downloading Videos and Podcasts from MediaSpace

1. Log on to [MediaSpace](#) using your KSU netID and password by clicking the “Guest” button located in the upper right-hand corner of the screen. In the sub-menu, click “Login.”

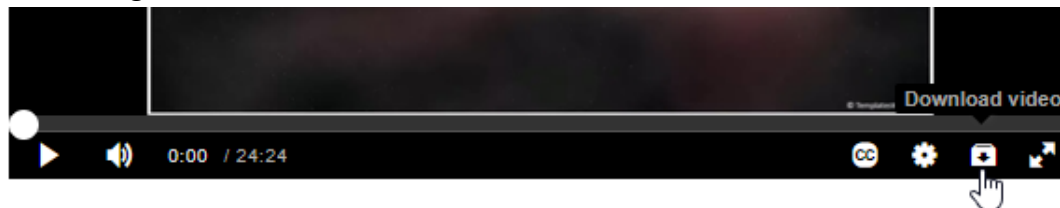

2. Once you are logged in, click “My Media” in the navigation menu.

3. Click “Edit” next to the video you want to download.

4. In the bottom right-hand corner of the video, click the download button.

Your video should start downloading and will be found in the “Downloads” folder on your computer when complete.
